June 2015

Dear Parent/Carer

Year 12 visit to Liverpool Hope University – Tuesday 7 July 2015

On Tuesday, 7 July, our Year 12 students will visit Liverpool Hope University as part of our information, care and guidance programme. This gives every student an opportunity to experience a university visit day.

The University have very kindly agreed to deliver a series of super curricular lectures so that each of our students can choose an option in a field relevant to their future studies or that is of interest to them. The topics include: English Language, Geography, Mathematics, Religious Studies, Health (Biology) and Psychology.

We will travel by coach to and from the venue and the visit will include a campus tour and a presentation about the personal statements and budgeting. **Your son or daughter will require a packed lunch.**

Please note that we will leave school at **9.00am** promptly and hope to be back at school at approximately **3.30pm** depending on traffic. If it is raining please ensure that your son or daughter brings a waterproof coat and if it is sunny, they should bring sun cream.

Attached to this letter you will find a reply slip and emergency contact and essential information form. Please complete these and return them to Mrs Collinson in the Sixth Form Office by no later than Friday 19 June 2015.

Yours sincerely

A Teasdale

Mrs Anne Teasdale
Lead Tutor for Post-16 G&T,
Medics & Oxbridge Students

To: Mrs J Collinson, Canon Slade Sixth Form

Student's name and form (please print)

I give permission for my son*/daughter* (please delete as appropriate) to take part in the Sixth Form visit to Liverpool Hope University on Tuesday 7 July 2015.
