

USA Revision Checklist

Be able to write 4 sentences to describe:

Changing attitudes to women in the 1920s	Republican Government's economic policies in the 1920s	How Hoover tried to end the depression
What happened to the Bonus Marchers	The social consequences of the Wall Street Crash	Actions taken by Roosevelt in his first hundred days
How USA benefited from the First World War	The Ku Klux Klan	The movie industry in the 1920s
The Second New Deal	The work of one Alphabet Agency	The strengths/weaknesses of the New Deal
Problems faced by black people during the 1920s	The main features of speculation in the 1920s	How methods of production changed in the 1920s

Be able to give two detailed reasons to explain why:

Not everyone experienced the economic boom.	Agriculture did not experience an economic boom	Some people opposed the New Deal
Wall Street crashed in 1929	Hoover was unsuccessful in ending the depression.	America had serious economic problems by 1929
Why Sacco and Vanzetti were executed	Prohibition failed	The lifestyle of some women changed in the 1920s
Roosevelt won the 1932 election	Why there was so much intolerance and racism in US society in the 1920s	The Ku Klux Klan were popular in the 1920s
Why there was a Red Scare.	Republicans opposed the New Deal	The New Deal changed in nature after 1933.

Be able to give reasons to agree and disagree with the statements below and reach a judgement on how far you agree overall:

The most important reason why Roosevelt won the 1932 election was because he fought the most effective campaign.
Hire purchase was the most important reason for the economic boom.
Speculation was the biggest cause of the Wall Street Crash.
Farmers benefited more from the New Deal than Black Americans.
Prohibition failed because it encouraged the rise of gangsters.
The economic boom was caused by new methods of production.
All Americans benefited from the New Deal.
Americans were intolerant in this period.
The lives of all women changed in the 1920s.
Roosevelt's New Deal was a complete success.
The economic boom was caused by Republican policies.
The most important consequence of the Wall Street Crash was the collapse of banks.
