Instructions on where home learning is stored

Integral Website: <https://integralmaths.org/>

Moodle: <http://vle.canon-slade.bolton.sch.uk/>

Or follow the VLE link from the school website

Instructions on how to access home learning

To complete the examples in your note booklets and find answers to the exercises logon to the Integral Website

Username: 358AL-astudent

Password: Canon999

For additional material logon to Moodle.

From the **Courses** tab select **Mathematics all courses**.

Select **Year 12**.

Instructions for work given

Your main task is to complete the Mechanics and Statistics modules from the Y12 course.

Work through the note booklets using the Integral website to help you. Look in the Notes and Examples to complete the examples in your booklets. Use the walkthroughs and any other activities to help your understanding. Work through the exercises and mark your work using the answers from the website.

You can also access other websites such as the videos on TL Maths Videos.

Please check your school email regularly for further instructions.
