

## Home Learning

<b>Subject</b>	<b>A level Geology Year 13</b>
<b>Year Group</b>	<b>Year 13</b>

### Instructions on where home learning is stored

Moodle: <http://vle.canon-slade.bolton.sch.uk/>

Or follow the VLE link from the school website

**On moodle – Courses-Geology-Year13 Geology**

Work will also be uploaded to the new departmental website:

<https://www.rockylearning.wordpress.com/>

### Instructions on how to access home learning

Once you have found the course on moodle, you'll see the instructions for the work for the weeks it is set.

Password for all pages is **foulger**

### Instructions for work given

Please complete the work on paper or even better type it up so it can be kept as revision material. As discussed even in light of the government announcement about exams it's really important you complete your courses, all of the materials we've not used yet will be uploaded. These will allow you to make a smoother transition to degree level. Finish the job off properly!

You also need to use the time to Cornell Notes all of your existing work by copying it up to make comprehensive revision notes.

**Any issues contact [JLF@canon-slade.bolton.sch.uk](mailto:JLF@canon-slade.bolton.sch.uk)**

### Useful Online Resources

All resources to help with completion of the tasks will be uploaded to

- <https://www.rockylearning.wordpress.com/>

tasks will also be on the above website.

- <https://www.eduqas.co.uk/qualifications/geology/as-a-level/>

#### **Books to buy:**

- Geological Science, McLeish
- OCR Textbook (although we are doing Educas)
- Understanding Geology, D. Webster (book you were written to about and asked to buy)
- Worth buying a copy of Geology for Dummies as reference <https://www.amazon.co.uk/Geology-Dummies-Alecia-M-Spooner/dp/1118021525>
