Year Group	12

Instructions on where home learning is stored

Moodle: <http://vle.canon-slade.bolton.sch.uk/>

Or follow the VLE link from the school website

Instructions on how to access home learning

On moodle, click on courses-History-Sixth-A-Level History. There is a wealth of material available here for both Britain and Cold War to help you with completing the required work for your course. There is also a section for the Witch Craze to help with your coursework.

Instructions for work given

For both Cold War and British History:

Students should work through the remaining booklets that you have been provided with, reading and highlighting notes and then completing tasks. The final booklet will be emailed to you if necessary.

For revision, students should work their way through the essay questions at the front of their booklets and can also use the quizzes on Moodle to help check knowledge. You should spend the equivalent of one and a half hours per scheduled lesson on their history as this will also include time that would have been spent on homework.

Please email any essay questions you attempt to your class teacher for feedback, making sure you let us know if they have been completed under timed conditions and whether you used notes or not.

For the NEA Witch Craze:

Mrs Brown will email you each week with the work that you need to be completing.
